**TO WHOM IT MAY CONCERN:**

I have been acquainted with Kevin Thomas for the past five (5) years. During that period of time, Kevin was my sales representative for Comcast Spotlight. At all times, I found Kevin to be a competent and professional sales representative and was always helpful in fulfilling our CATV advertising needs. For a sales person, Kevin was especially thorough and paid attention to detail. I have complete confidence in recommending Kevin for almost any marketing position a company would have available.

If you have further questions or concerns, please do not hesitate to contact me.
