

**GEICO**  
Local Office

To whom it may concern,

March 18, 2009

Kevin Thomas has been my account representative with Comcast Cable for many years. During this time he and I prepared and planned many marketing promotions for my local GEICO Insurance office. Kevin prepared detailed reports showing me household demographic statistics within my market as well as linking those results with the time and channel broadcasts that would match in order for me to obtain the optimum result. His sales and strategy experience was highly beneficial to the success of my office.

On a personal note- I have had the opportunity to meet with Kevin outside of the work environment. I have found him to be a high caliber individual with not only strong business ethics but he takes personal pride in maintaining a high level of commitment to his friends and family. I highly recommend him to be considered for employment with your company.

Feel free to call me at any time.

Regards,
